DESIGN PORCELAIN TILES

5 COLOURS | 2 FINISHES | 2 FORMATS

BLUEPRINT  
CERAMICS

The Bakerloo ceramic tile collection captures the soul of historic London architecture, reimagined for contemporary design. Referencing the curved forms, warm tones, and textured details found in the city's traditional underground stations and Edwardian facades, Bakerloo tiles offer a distinctly British aesthetic for modern spaces. Designed with architects, interior designers, and specifiers in mind, this collection blends timeless urban heritage with today's design versatility.
