CONCRETE PORCELAIN TILES

6 COLOURS | 2 FINISHES | 4 FORMATS

Flux is our signature reimagining of concrete in porcelain form - a collection that balances raw industrial character with timeless elegance. Designed for both residential and commercial projects, Flux offers durability, versatility, and effortless style. Available in six neutral shades - Extra White, Bone, Biscuit, Grey, Dark Grey, and Black - the palette adapts seamlessly to modern interiors and outdoor spaces. From minimalist living rooms to high-traffic commercial areas, Flux delivers both performance and design impact. Choose from a range of large-format sizes (120×120, 60×120, 60×60, 30×60, and 30×30) to create seamless surfaces with fewer grout lines and a bold, architectural look. With a thickness of 10.5 mm, Flux tiles are engineered to withstand everyday wear while retaining their refined finish. Whether you're designing a contemporary home, a stylish office, or an outdoor terrace, Flux is the perfect foundation for modern living.

## Project Suitability

All project types internal/External Wall/  
Floors
