Rhodes is a design-driven porcelain tile collection created for interior designers, architects, and specifiers seeking sophisticated surface solutions with architectural presence. Inspired by sculpted Mediterranean forms and handcrafted ceramic traditions, Rhodes brings depth, dimension, and refined texture to modern interiors. The collection features a curated selection of elongated formats and structured profiles—offering both subtle movement and bold sculptural expression. Its softly varied glaze, gentle tonal shifts, and high-quality porcelain body make Rhodes suitable for a wide range of residential, commercial, and hospitality applications where aesthetics and performance must work hand in hand. Available in a palette of warm neutrals, earth-inspired hues, and contemporary statement tones, Rhodes offers designers complete creative flexibility—whether crafting serene spa environments, elevated kitchens and bathrooms, boutique retail concepts, or expressive feature walls. With Rhodes, surfaces become architectural elements—tactile, modern, and effortlessly timeless.
