The Lava collection is a range of high-quality coloured ceramic wall tiles designed for modern interiors. Inspired by the mineral hues found in volcanic landscapes, each tile delivers depth of colour and subtle tonal variation, adding movement and personality to any space. Ideal for bathrooms, kitchens, feature walls, and commercial interiors, Lava offers a versatile design solution that works beautifully in contemporary, industrial, and minimalist schemes. Manufactured from durable ceramic, the collection provides a practical wall covering that is easy to maintain while offering rich, design-led colour options. Lava allows you to create bold statements or refined monochrome spaces with equal impact.
