

ABBEY

DECORATIVE DESIGN TILES

6 COLOURS | 1 FINISHES | 1 FORMATS

Abbey is an architectural wall tile collection defined by texture, proportion, and restraint. Its elongated format and tactile surface bring quiet structure to interior spaces, creating walls that feel considered rather than decorative. Made from durable porcelain, Abbey features a subtly textured face that interacts with light and shadow. Available in matt and gloss finishes, the collection shifts character throughout the day, from soft and muted to gently reflective. The 15 × 40 cm format introduces linear rhythm, ideal for kitchens, bathrooms, feature walls, and contemporary commercial interiors. A balanced palette of neutral and deep tones allows Abbey to integrate effortlessly into modern, minimalist, and architectural design schemes. Designed for longevity and ease of maintenance, Abbey delivers material integrity with a refined architectural presence.
