Bring depth, colour and character to interiors with Molten Brick, a porcelain tile collection inspired by traditional glazed majolica. Glossy surfaces and tonal variation create an artisan look, with each tile contributing to a richly layered finish. The slim 60 × 250mm brick format offers scope for creative layouts, from classic brick bond to vertical stacking and herringbone. A palette of natural and mineral-inspired shades allows for subtle tonal schemes or expressive colour combinations, while 125 × 250mm decorative options introduce additional detail. Use Molten Brick to shape distinctive splashbacks, feature walls and decorative interiors.
