

PRESTO

PRESTO

Introducing Presto, a classically styled stone material manufactured using top class natural marble from quarries in Italy and Europe with only the finest reputations for quality. Presto provides delicate gradations of veining patterns and colour which are amplified by its gorgeous polished finish. This type of stone is making a comeback in modern applications attributed to its classic style. Also available in 5 colours and 2 thicknesses the Presto collection is an ideal material for a range of uses.

Lead the scene, keep it green
