

A modern rooftop terrace or indoor-outdoor lounge area. The space features a grey stone wall with large windows and glass doors. The floor is made of large, square, grey stone tiles. On the left, there is a wooden bar counter with a sign that reads "ART POINT CAFE". Several high-top stools are placed around the bar. In the center and right, there are several tables and chairs. Some tables are round, and some are rectangular. The chairs are orange and black. There are also some red and white cushions on the floor. The space is filled with various indoor plants, including tall trees and smaller potted plants. The lighting is warm and modern, with pendant lights hanging from the ceiling. The overall atmosphere is relaxed and contemporary.
