

# BRICK MIX

## BRICK MIX

With 20 different shades to choose from, ranging from the deep reds to the bright yellows, Brick Mix offers you an opportunity to really experiment with shapes and patterns. Whether you're brave and bold, or more conservative and subtle, this range allows you freedom to work. Available in both 150x450 and 50x150 formats, Brick Mix is suitable for both wall and floor application and will really bring a space to life with its exciting colour palette.
